Hi, Chris!

First, I'd like to express my excitement that you've agreed to speak at this year's technology conference. As you know, Runt Corporation has been organizing this event for the last ten years to promote innovation in the computer industry.

In my previous email, I told you that the conference would start at 8 a.m., but it has been changed to 9 a.m. because a few of the companies who will be providing exhibits wanted a little more time to set up their product displays. Now, when you get to the conference center, you will have to pass through security. Please hand the security guard the four-digit code that I gave you, and he will issue you a temporary visitor's ID badge. You will need to wear this badge at all times while you are in the building.

If you need us to provide any equipment, such as a laptop computer, or overhead projector, please contact the event organizer, Martin Walsh. His email address is mwalsh@runtcorp.com. You can also reach him by phone at 1-520-236-1478.

Please feel free to contact me with any further questions that you might have. I look forward to meeting you on the day of the conference.
